Revision No: AB Page 1 of 2

Covered by this declaration is in conformity with the following directive(s), Regulation(s), standard(s) or other normative document(s), provided that the product is used in accordance with our instructions.

UK RoHS Regulation: The Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 (as amended)

Though Condensing units are not in the scope of UK RoHS regulations, Danfoss declares that the listed products and spare parts/accessories are compliant with the requirements of this regulations. Assessment done according to standard EN IEC 63000:2018. Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances.

RoHS Directive 2011/65/EU including amendment 2015/863

Though Condensing units are not in the scope of RoHS 2011/65/EU, Danfoss declares that the listed products and spare parts/accessories are compliant with the requirements of the Directive 2011/65/EU. Assessment done according to standard EN IEC 63000:2018. Technical documentation for the assessment of electrical and electronic products with respect to the restriction of hazardous substances.

Waste of Electrical and Electronic Equipment (WEEE) and Battery Directives (only for Norway)

Danfoss supports the objective of the WEEE Directive (2012/19/EU) and the Battery Directive (2006/66/EC) to further improve the environment management of WEEE and to contribute to a circular economy and enhance resource efficiency by improving the collection, treatment and recycling of electronics and waste batteries and accumulators at the end of their life.
